

LEARNER OBJECTIVES

WEBINAR –Expanding the World through Social Development: Your “Wh” Questions: Conversational Social Communicators

After attending this webinar participants will be able to:

1. Determine the needs of their students by utilizing the appropriate social skills assessment tools.
2. Describe strengths and needs of students with conversational social communication challenges.
3. Explain the impact that social skills have on student access to relationships, education, different environments and quality of life.
4. Design individualized social skills instruction across all environments.
